Introduction

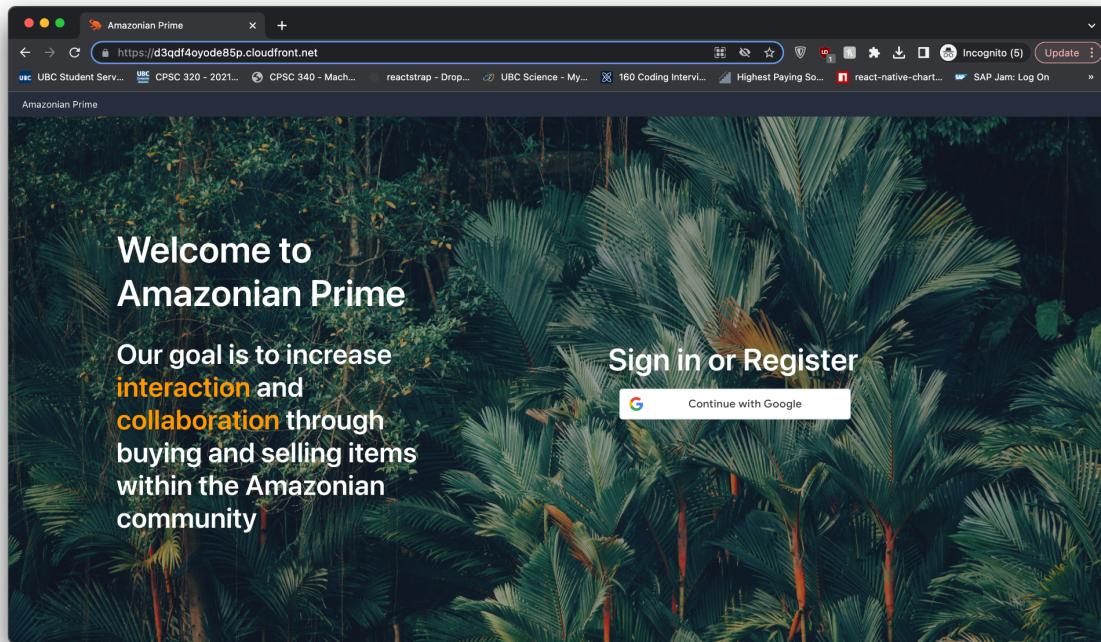

Welcome to the user manual for the Amazonian Prime marketplace website! This manual is designed to help you navigate and use our platform efficiently and effectively. Our marketplace is a platform that connects buyers and sellers, offering a wide range of products and services.

Whether you are a buyer looking for a unique item, or a seller looking to sell an unused item, our marketplace has something for everyone. In this manual, we will guide you through the process of setting up an account, searching for products, making a purchase, selling your own products, and etc.

By the end of this manual, you will be well-equipped to navigate our marketplace and make the most of all the features it has to offer.

Buyer Module

Login and Registration

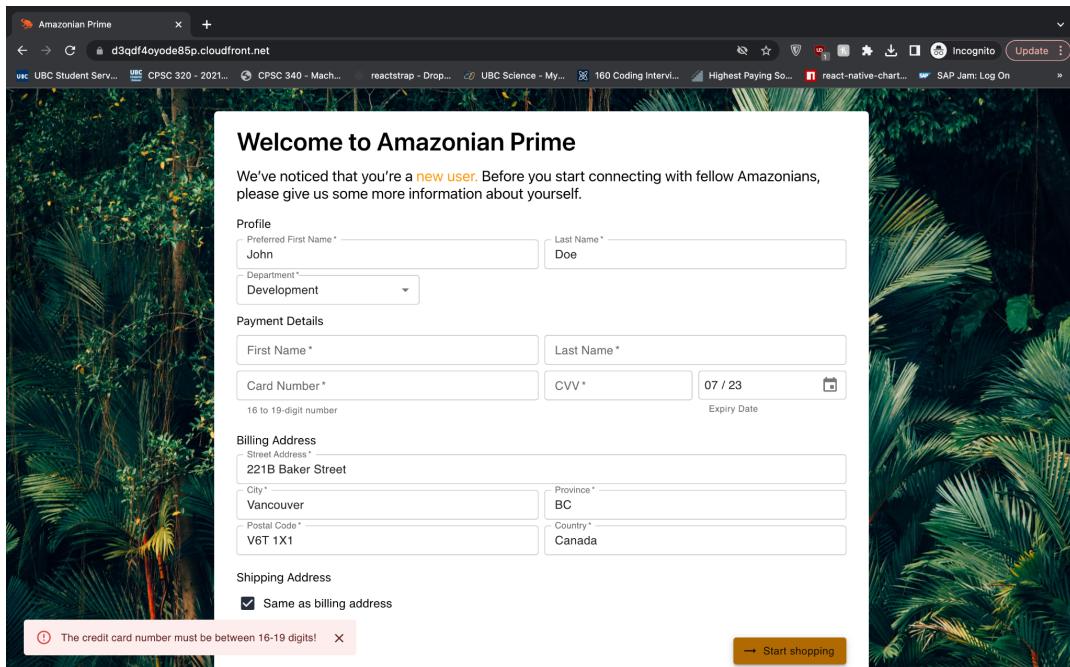

To login to the website, you can use a Google Account. If this is the first time you are accessing the website, you will be prompted to complete registration details and a Buyer account will be created for you. Else, you will be redirected to the main page.

A screenshot of a web browser window titled "Amazonian Prime". The background is a dense green jungle scene. A modal dialog box is open, titled "Welcome to Amazonian Prime". It contains a message: "We've noticed that you're a new user. Before you start connecting with fellow Amazonians, please give us some more information about yourself." Below the message are several input fields grouped into sections: "Profile" (Preferred First Name: John, Last Name: Doe, Department: Development), "Payment Details" (First Name: [redacted], Last Name: [redacted], Card Number: 1234567890123456, CVV: [redacted], Expiry Date: 07 / 23), "Billing Address" (Street Address: 221B Baker Street, City: Vancouver, Province: BC, Postal Code: V6T 1X1, Country: Canada), and "Shipping Address" (Same as billing address checked). At the bottom right of the modal is a "Start shopping" button.

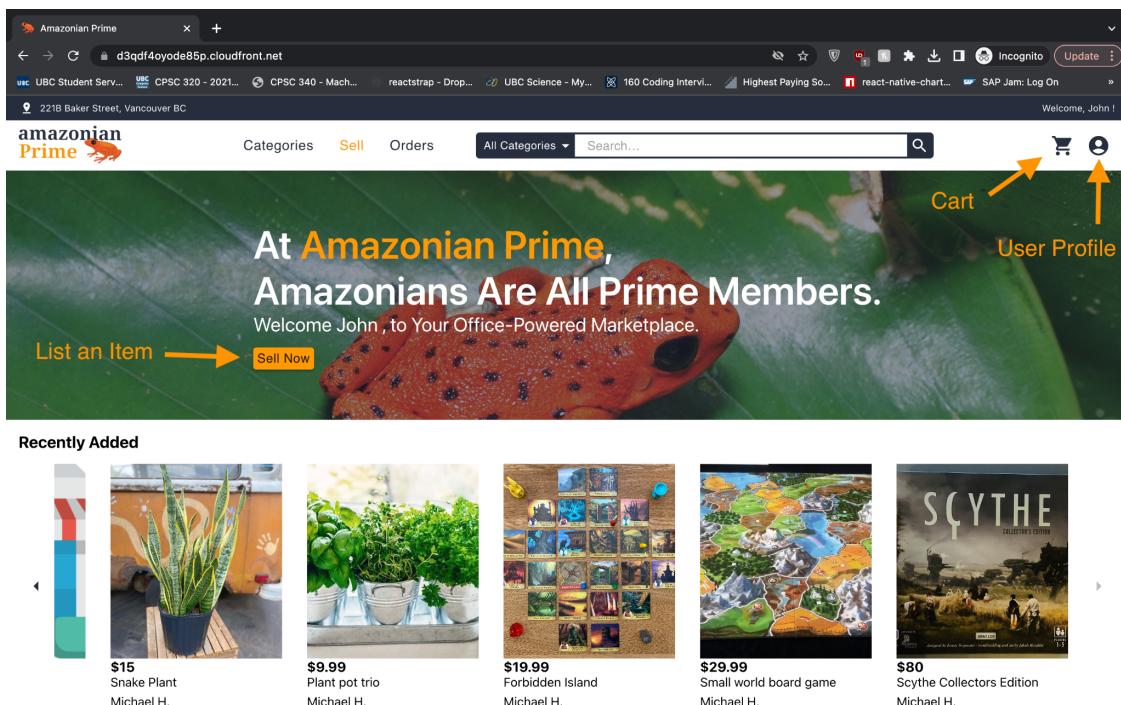

In the registration page, you need to provide basic information such as your Preferred Name for the account and the Department you work for. This can be changed in the future from the User Profile page

If there are any missing fields, you will be alerted by a Toast at the bottom left corner and will not be able to proceed from the registration page.

Marketplace

Once the account has been registered, you will be redirected to the Marketplace Landing Page. Through this page, you can access the recent listings, your shopping cart and the user profile. You can also post a listing through the “Sell Now” button or the “Sell” tab that is at the top of the page.

Access Product Details

Clicking on one of the listings will redirect you to the Product Details Page where you can learn more about the listing. From this page, you can learn about the item's Price, Condition, Brand, Color, Size, etc. Listings may have several images along with them, and the images are interactable to get a better look of the item.

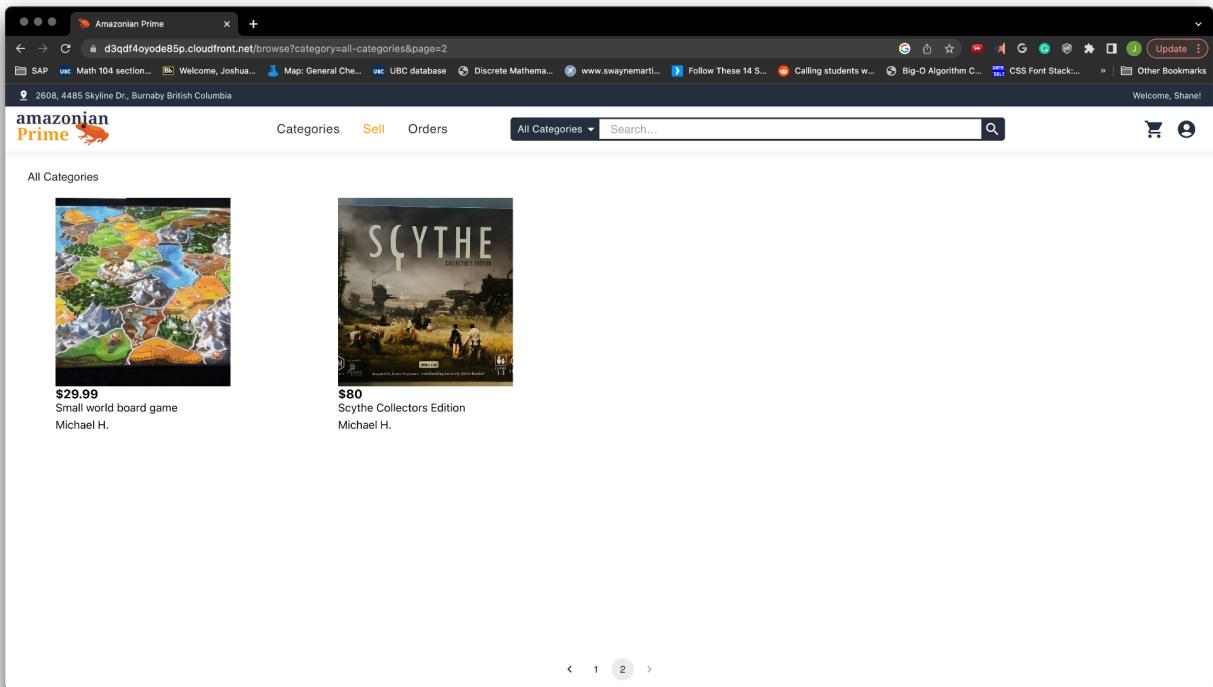

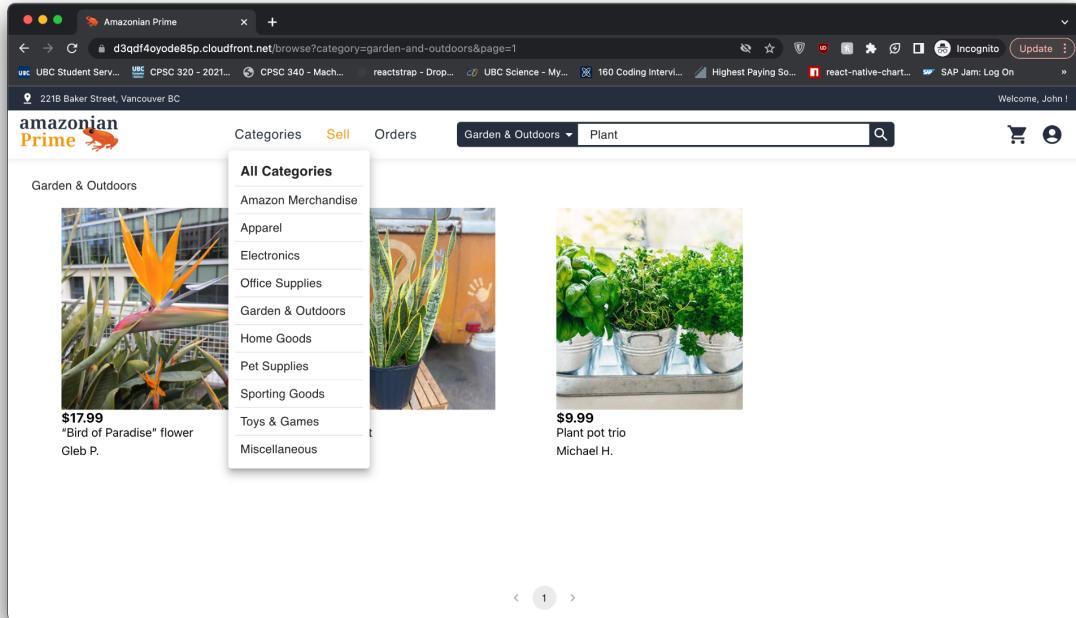

The screenshot shows a product listing for a "Bird of Paradise" flower. The main image displays a vibrant orange and yellow flower with long, thin petals. Below the main image is a smaller thumbnail of the same flower. To the right of the images, the product title "Bird of Paradise" flower is displayed, along with the seller's name, Gleb P., and the price, \$17.99. The listing is from April 03, 2023, at 06:17 AM and offers shipping. There are two buttons: "Add to Cart" and "Buy Now". A dropdown menu for quantity shows the value "1" selected. The "Details" section includes fields for Condition (New), Category (Garden And Outdoors), Brand (n/a), Colour (Orange), and Size (3 Foot/Feet). A dropdown for Quantity shows "(28 items available)". The "Description" section contains a paragraph about the flower's origin and color.

In the product details page, you can also add listings to your cart. You can adjust the quantity that you would like to add to the cart using the dropdown icon and click on either the “Add to Cart” or “Buy Now” buttons. If you click on “Add to Cart”, you will remain in this page and be able to further adjust the item quantity you would like to purchase. If you click on “Buy Now”, you will be redirected to the checkout page where you can continue payment to purchase the listing.

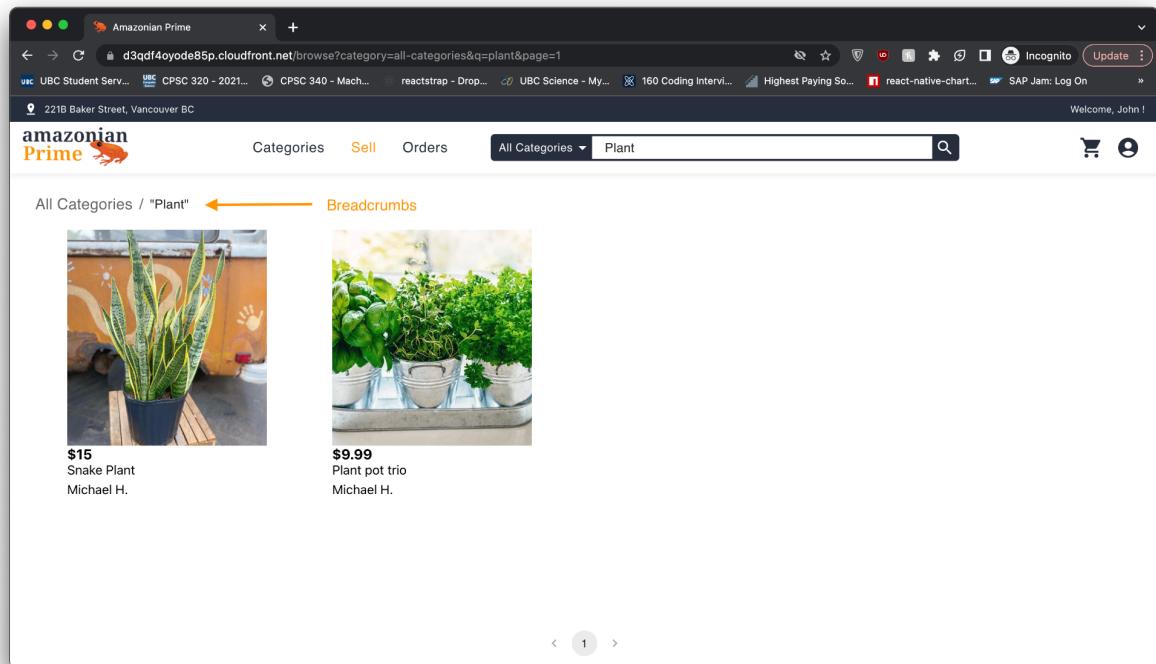

This screenshot is identical to the previous one, but the quantity dropdown has been opened, showing a list of numbers from 1 to 4. The number "1" is highlighted, indicating it is the current selection. The rest of the page content, including the product image, title, seller information, price, shipping options, and description, remains the same.

Categories and Search Feature

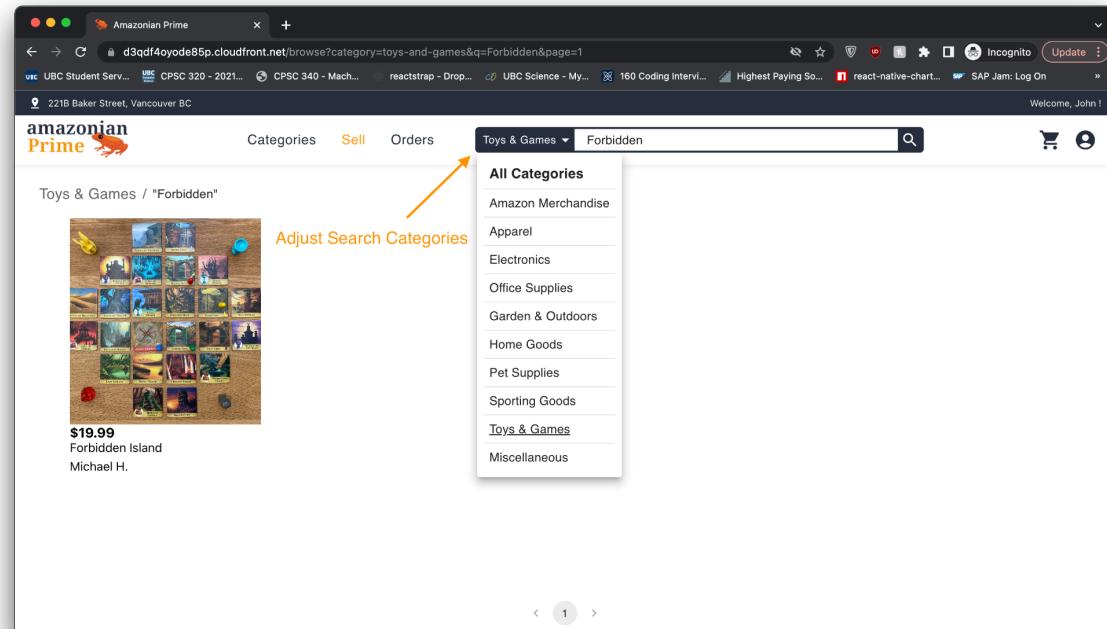

You can search for listings by category. To do so, you must navigate to the “Categories” toolbar at the top of the screen. When clicked, a drop down will appear that specifies the different categories that the listings have been listed as. The results will be displayed in a paginated fashion (see below image on page 2).

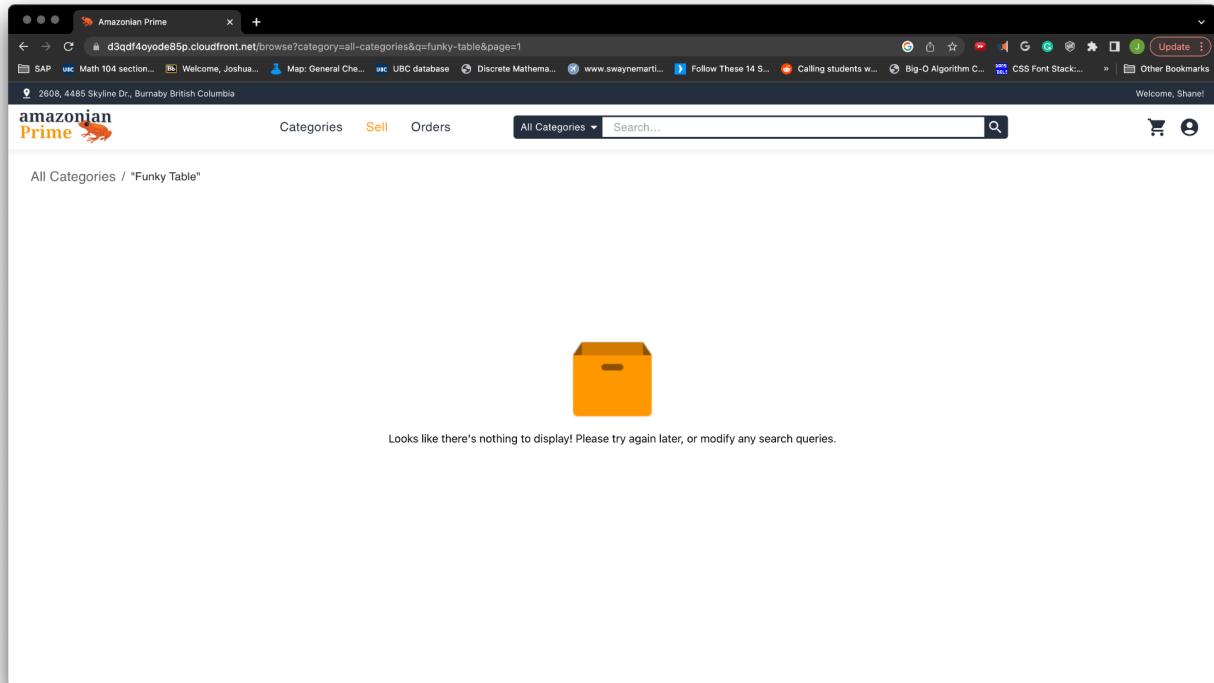

On the other hand, you can also search for a specific listing using the Search Bar Feature. Simply type the listing in mind and view the results. For example, below are the results when I am looking for the query “Plant”

You can also use the search future to perform a combined Category and Item Search. To do so, interact with the dropdown feature to the left of the Search Bar to see the list of categories that can be searched on. For example, I am looking for the “Forbidden Island” toy, so I can switch the category to be “Toys & Games” and then search for listings with the word “Forbidden” in them.

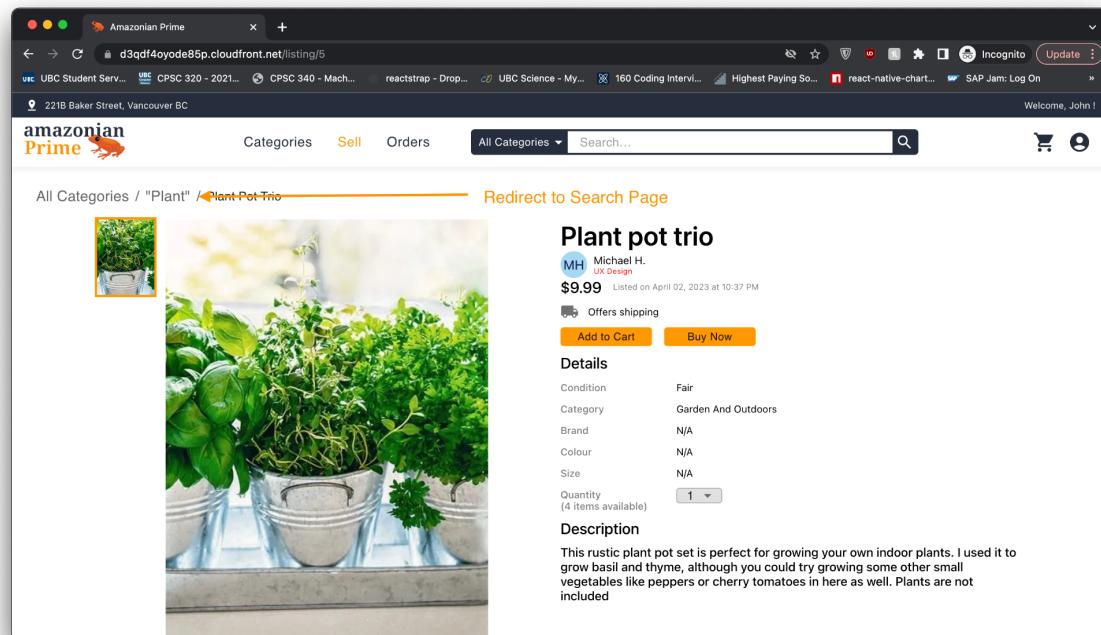

If no listing is found, you will be shown a “No Results” page prompting you to change your search queries.

Breadcrumbs

You can also use the breadcrumbs at the top left to navigate back to the page prior to the current one searches. For example, after searching and accessing a Plant that I am interested in, I think that the item isn't to my liking and would like to browse through the other plants in the list. I can simply interact with the breadcrumbs and click on it to navigate back to the page with the list of “Plants”.

Shopping Cart and Checkout

Below is the shopping cart page. You can get here from a product details page or by clicking the cart icon on the top right. Here you will see all the items in your shopping cart with their relevant information. You can still change the quantity you wish to purchase, or remove the listing from your cart. You will be able to change or add your shipping address, as well as payment method. The checkout details are on the right, and you can checkout everything in your cart by clicking on “Place Your Order.”

The screenshot shows a web browser window for 'Amazonian Prime' at 'localhost:3000/cart'. The page displays a shopping cart with two items:

Item Description	Quantity	Price
"Bird of Paradise" flower (x1 \$17.99)	1	\$17.99
AWS Mug (x1 \$15.00)	1	\$15.00
Subtotal (2 items) Before Tax		\$32.99
Estimated GST/HST		\$1.65
Estimated PST/RST/QST		\$2.31
Order Total		\$36.95

On the right, there is a large orange button labeled 'Place Your Order'.

When you click on “Change” beside the shipping address or payment method, a window will pop up for you to select from your existing address/payment entries. When you click on “Add Addresses” or “Add Payment Methods,” you will be redirected to your profiles page to fill out necessary information.

Welcome John, to your Shopping Cart. Please review each item before checking out.

Estimated PST/RST/QST		\$2.31	
Order Total		\$36.95	

Place Your Order

Stretch Goal: 5 Minute Grace Period

If your credit card has expired, the checkout will fail and you will see an error toast at the bottom left. Once this happens, you will receive a 5 minute grace period to change your payment method. During this time, the items in your order will be placed on hold so other buyers cannot buy them. A banner will show up on top indicating how much time you have left. You can also click on "Cancel hold" to cancel the hold. If you choose to do so, the items will return to your cart and the transaction will be canceled.

We will hold the items in your Cart for the duration of this period: **04:56**. During this period you may not edit your Shopping Cart items. [Cancel hold](#)

Welcome John, to your Shopping Cart. Please review each item before checking out.

Place Your Order

We encountered an issue with the transaction. Please modify your payment details while we hold your items.

On a successful checkout, you will see a success toast at the bottom left, indicating that you have placed an order that contains all the items in your cart.

The screenshot shows a web browser window for 'Amazonian Prime' on 'localhost:3000/cart'. The page displays a 'Shopping Cart' section with a message: 'Welcome John, to your Shopping Cart. Please review each item before checking out.' It lists three steps: 1. Shipping Address, 2. Payment Method, and 3. Review Items (0 items). The 'Order Summary' table shows Subtotal (\$0.00), Estimated GST/HST (\$0.00), and Estimated PST/RST/QST (\$0.00). The 'Order Total' is \$0.00. A green success toast at the bottom left says: 'We've got your order! Please check for a confirmation email.'

The screenshot shows a web browser window for 'Amazonian Prime' on 'd3qdf4oyode85p.cloudfront.net/cart'. The page displays a 'Shopping Cart' section with a message: 'Welcome Shane, to your Shopping Cart. Please review each item before checking out.' It lists three steps: 1. Shipping Address, 2. Payment Method, and 3. Review Items (2 items). The 'Order Summary' table shows Subtotal (\$20.00), Estimated GST/HST (\$1.00), and Estimated PST/RST/QST (\$1.40). The 'Order Total' is \$22.40. The cart contains one item: a 'Cap' (x2 \$10) costing \$20.00. The Mac OS Dock at the bottom is visible, showing various application icons.

A confirmation email will be sent to the email associated with your Google account, and it will contain the order details such as the order ID, date, and listing details.

The screenshot shows an email inbox on the left with 14 messages in the 'Inbox'. The main area displays an email titled 'Order Confirmation #17' from 'amazonianprime2023@gmail.com'. The message is addressed to 'John Doe' and contains details about an order placed on April 4, 2023. The order includes a 'Bird of Paradise' flower and an AWS Mug. It also includes a note about tracking and a reply/forward button.

User Settings

You can change your account settings by clicking on the profile icon on the top right. Clicking on the “Home” option will bring you to the home page. Note that if you do not have admin privileges, you will not see the “Switch to Admin Privilege” option.

The screenshot shows the homepage of the 'amazonian prime' website. At the top right, there is a 'User Settings' dropdown menu with options: Home, Manage Profile, My Listings, Switch to Admin Privileges, and Logout. The main content features a large banner with a red frog and the text 'At Amazonian Prime, Amazonians Are All Prime Members.' Below the banner, there is a 'Recently Added' section displaying various items with their prices: a Paddle board (\$80), a Vintage Inimigo T-Shirt (\$30), 10 bucket hats (\$179.99), a Throw pillow (\$27), a Cap (\$10), and an AWS item (\$15). A 'Sell Now' button is also visible.

Clicking on “Manage Profile” will bring you to the user settings page, where you can change information regarding your seller and buyer profiles, as well as payment details and shipping address for your buyer profile. These pages offer field validation similar to previous registration pages.

This screenshot shows the "User Settings" section of the "Manage Profile" page. The left sidebar lists "User Settings", "Seller Profile Settings", "Buyer Profile Settings" (which is expanded), "Payment Details", and "Shipping Address". The main area shows "User Settings" with fields for "Preferred First Name" (John) and "Last Name" (Doe). A dropdown menu for "Department" is open, showing options like Marketing, Sales, Development, UX Design, Human Resources, Legal, DevOps, IT, and Security. The "Human Resources" option is selected. A "Save" button is visible at the bottom right.

This screenshot shows the "Seller Profile Settings" section of the "Manage Profile" page. The left sidebar lists "User Settings", "Seller Profile Settings" (which is expanded), "Buyer Profile Settings", "Payment Details", and "Shipping Address". The main area shows "Seller Settings" with "Your Banking Details" for Joshua Luong, account number 312312312312, and institution number 123. It also shows "Banking Details" fields for "Full Name", "Account No.", "Institution No.", and "Transit No.". Below that is the "Billing Address" section with fields for "Street Address", "City", "Province", "Postal Code", and "Country". A "Save" button is visible at the bottom right.

The screenshot shows the 'Manage Profile' section of the Amazonian Prime website. On the left, a sidebar lists settings: User Settings, Seller Profile Settings, Buyer Profile Settings (expanded), Payment Details, and Shipping Address. The main area is titled 'Payment Details' and contains fields for First Name*, Last Name*, Card Number*, CVV*, Expiry Date, Street Address*, City*, Province*, Postal Code*, and Country*. An orange 'Add' button is at the bottom right.

The screenshot shows the 'Manage Profile' section of the Amazonian Prime website. On the left, a sidebar lists settings: User Settings, Seller Profile Settings, Buyer Profile Settings (expanded), Payment Details, and Shipping Address (expanded). The main area is titled 'Shipping Address' and displays one existing address: '1 13-19063 McMyn Rd Pitt Meadows, BC'. Below it is a form for adding a new shipping address with fields for Street Address*, City*, Province*, Postal Code*, and Country*. An orange 'Add' button is at the bottom right.

Clicking on “My Listings” will show you all the listings you’ve posted. You can click on a listing to go to its product details page, and you can also delete it by clicking on “Remove Listing.”

A screenshot of a web browser window titled "Amazonian Prime" at "localhost:3000". The page features a large orange frog image with the text "At Amazonian Prime, Amazonians Are All Prime Members." and a "Sell Now" button. A red arrow points from the "My Listings" option in the user settings dropdown menu to the "Recently Added" section, which displays several removed listings.

You have successfully switched modes. You are now acting as an Administrator.

The "Administrator" link in the top navigation bar of the first screenshot is highlighted with an orange arrow.

Logout

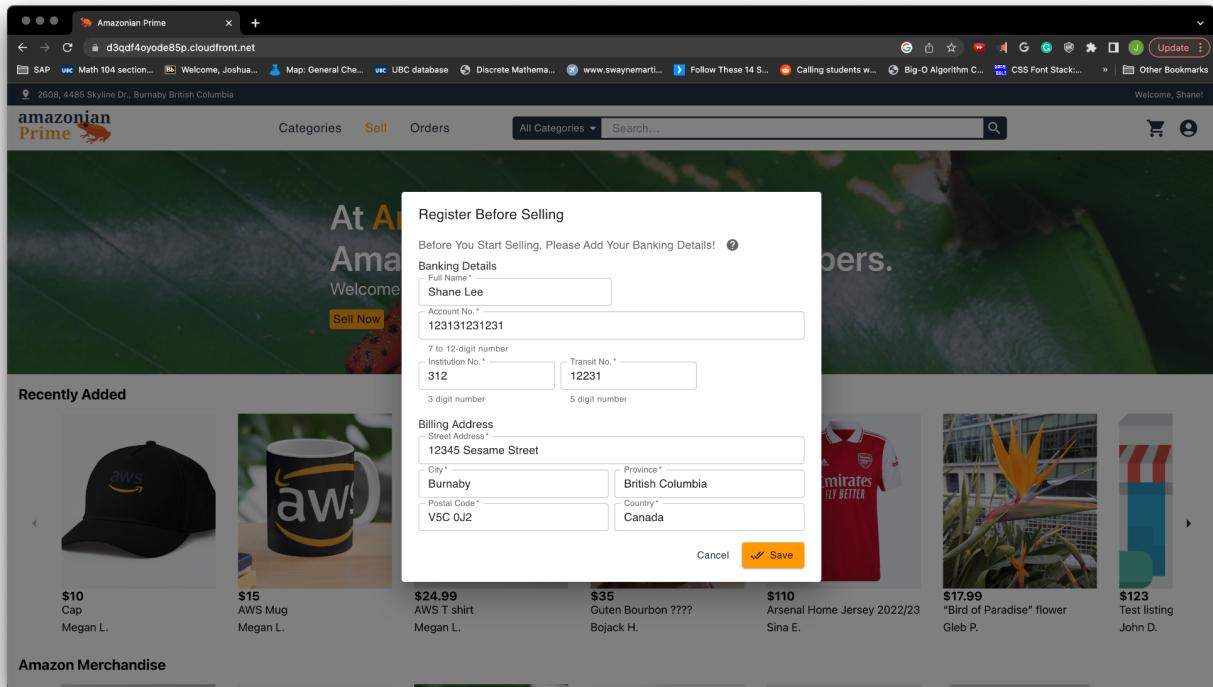

To log out of your account, you must navigate to the dropdown under the user icon and select the “Logout” option. It will then redirect you to the main login page with Google Authentication.

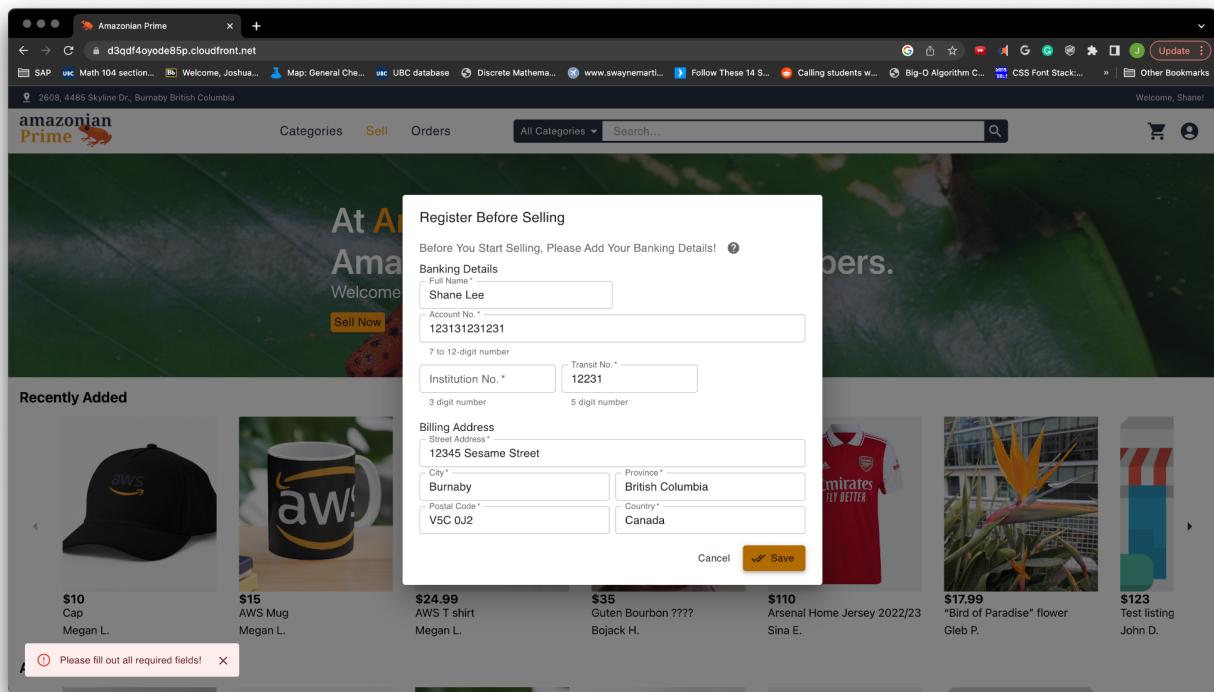

Seller Module

Register Seller

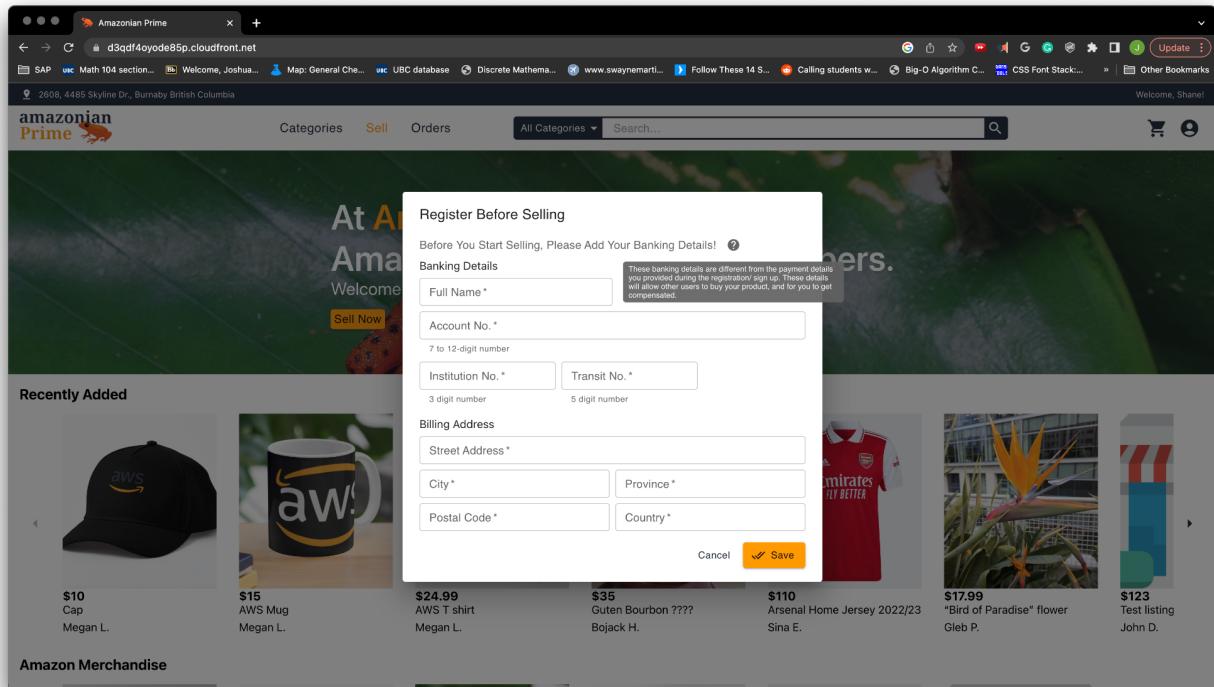

If you haven't sold an item yet before, during the sell process, you will be prompted to input your banking details. These details are different than the ones provided during the initial sign in, as these details will allow you to be compensated as other purchase your item. This Registration modal will block you from continuing to sell until you provide your banking details.

If you don't provide all required fields, or some of the fields fail validation, you will be prompted with an Error toast. Otherwise, you should be able to fill all of the fields in the Register Before Selling modal. At anytime, you will be able to exit this process by clicking "Cancel"- if you do so, your changes will not be saved. Once successfully registered, you will be automatically redirected to the Selling modal to sell your items.

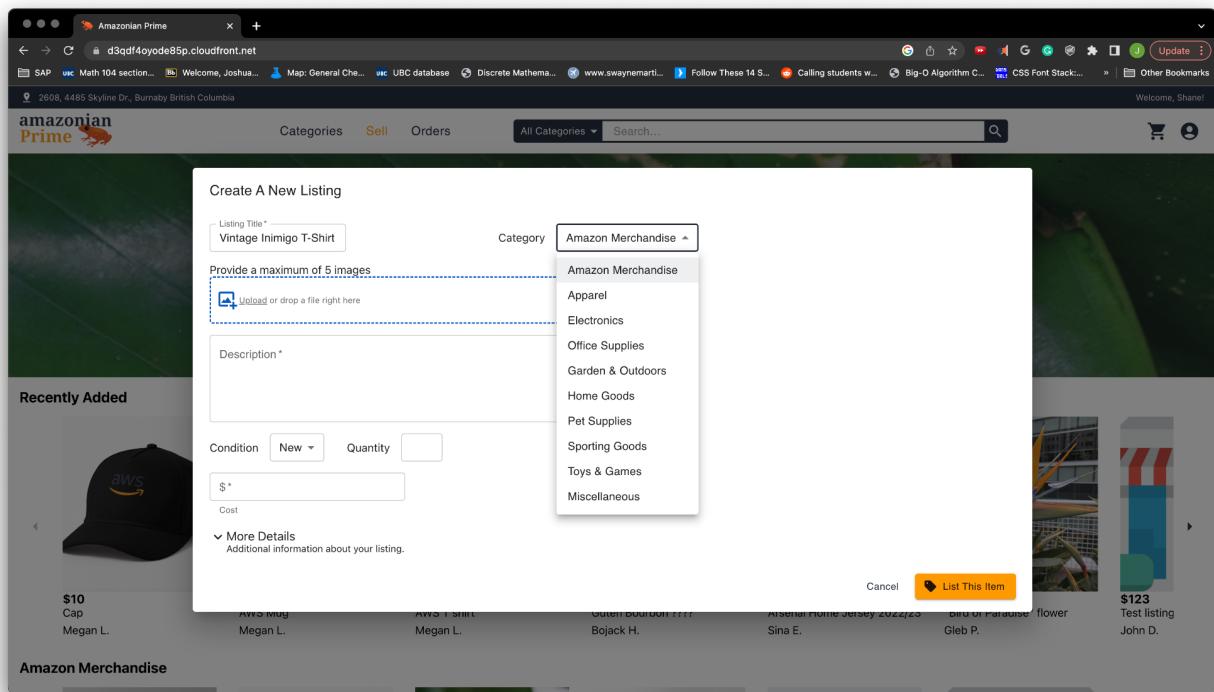

For more information regarding why we need your banking information, you can also hover the information icon.

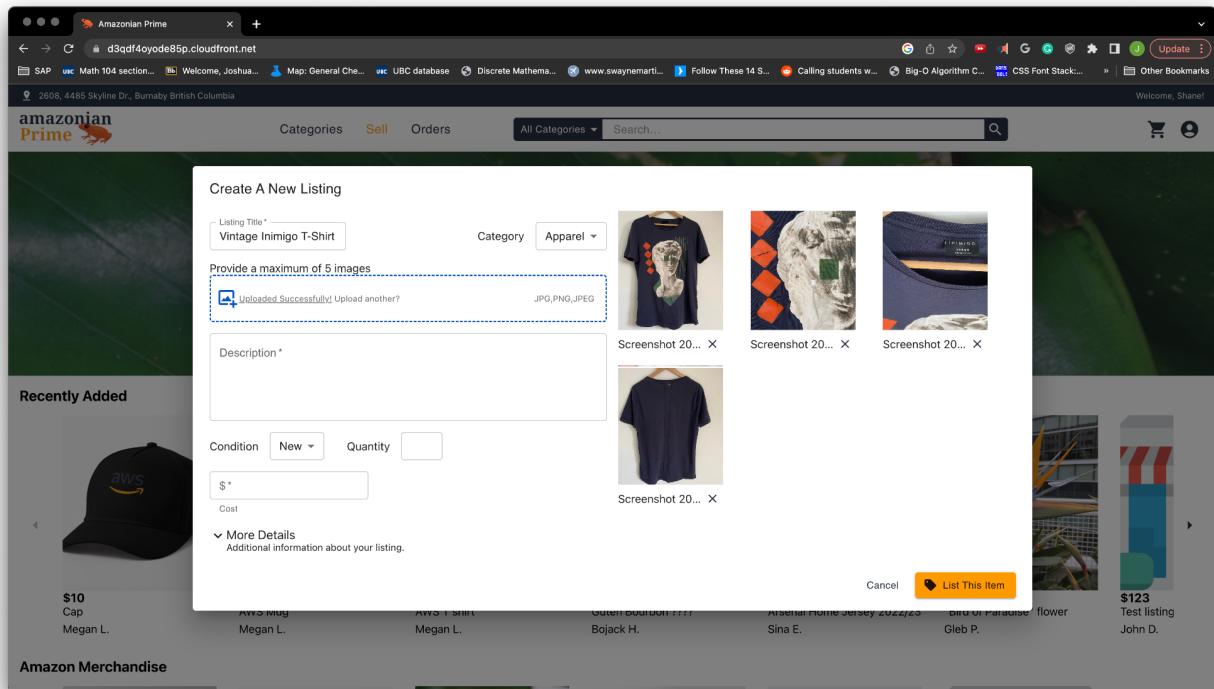

Selling An Item

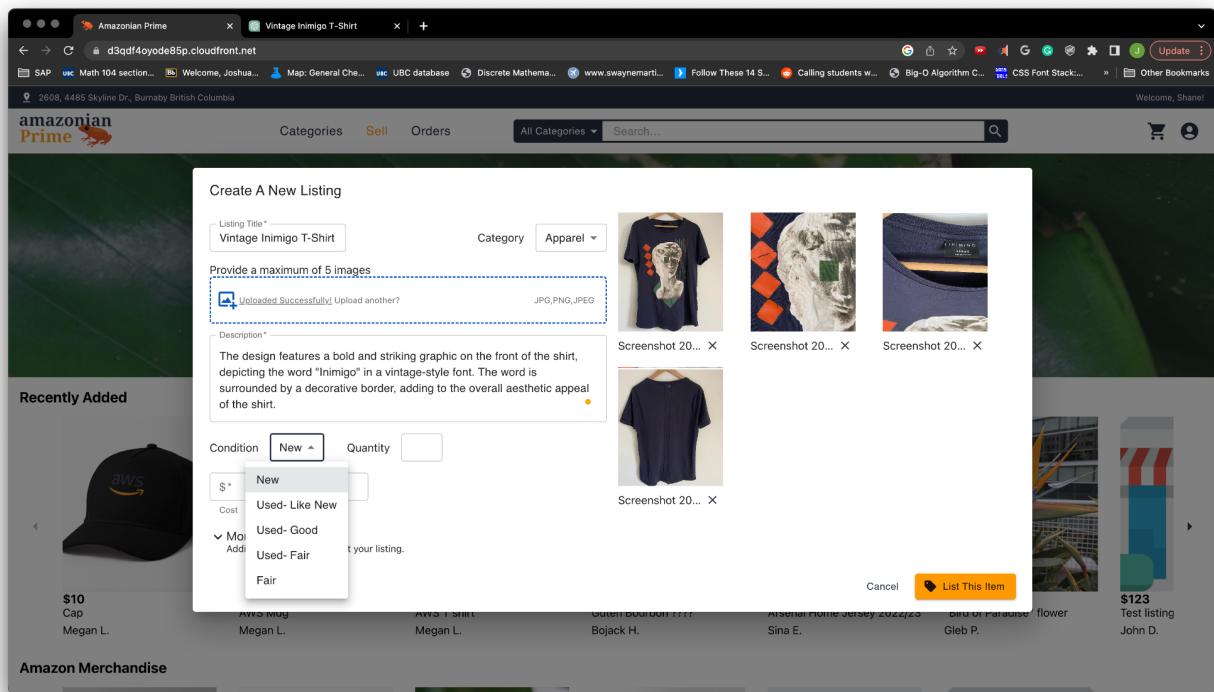

When you click on the “Sell” button in the top toolbar (or “Sell Now” from the Home page), the “Create A New Listing” modal will open to allow you to sell a product. In this selling modal, you will be prompted to fill in some details about your product. Some details may include specifying the category your listing belongs to.

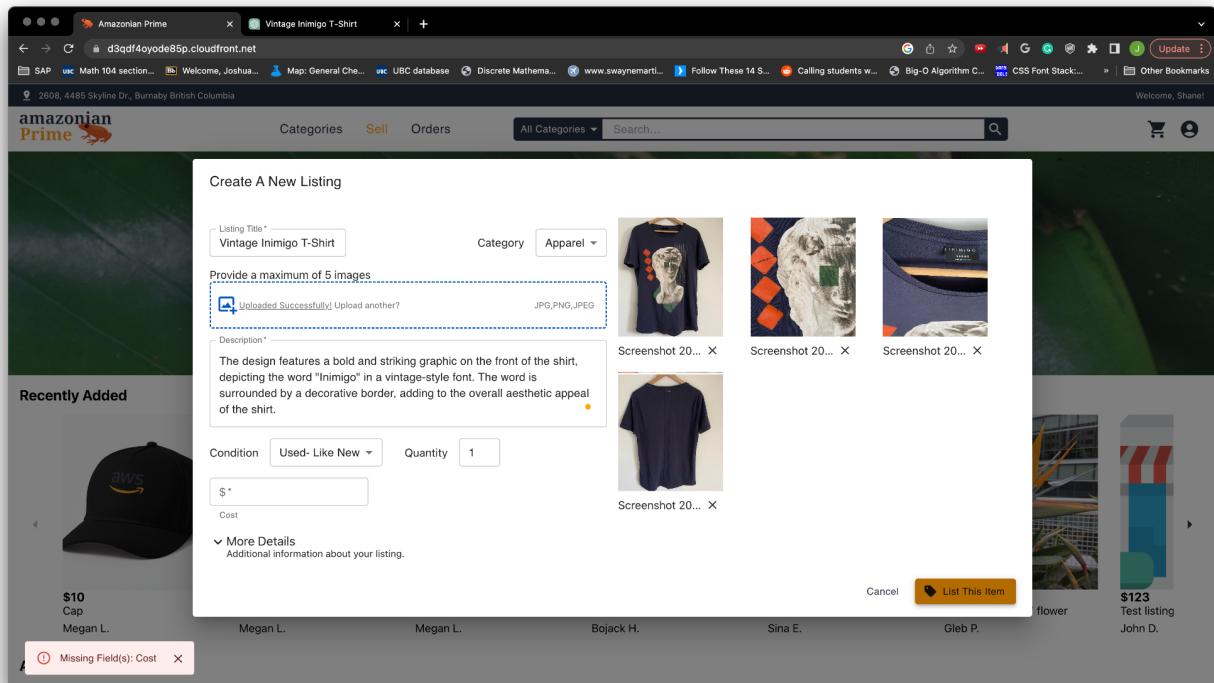

Once you input a name for your listing and select an appropriate category, you will be able to input at most 5 images. You can do so by clicking directly in the blue Drop Zone to open the file folder, or you can drag-and-drop 1-5 images in the Drop Zone.

Once you input a proper description about your item, you may also select an appropriate Condition for the item. After such selection, you may also input a Quantity and Cost associated.

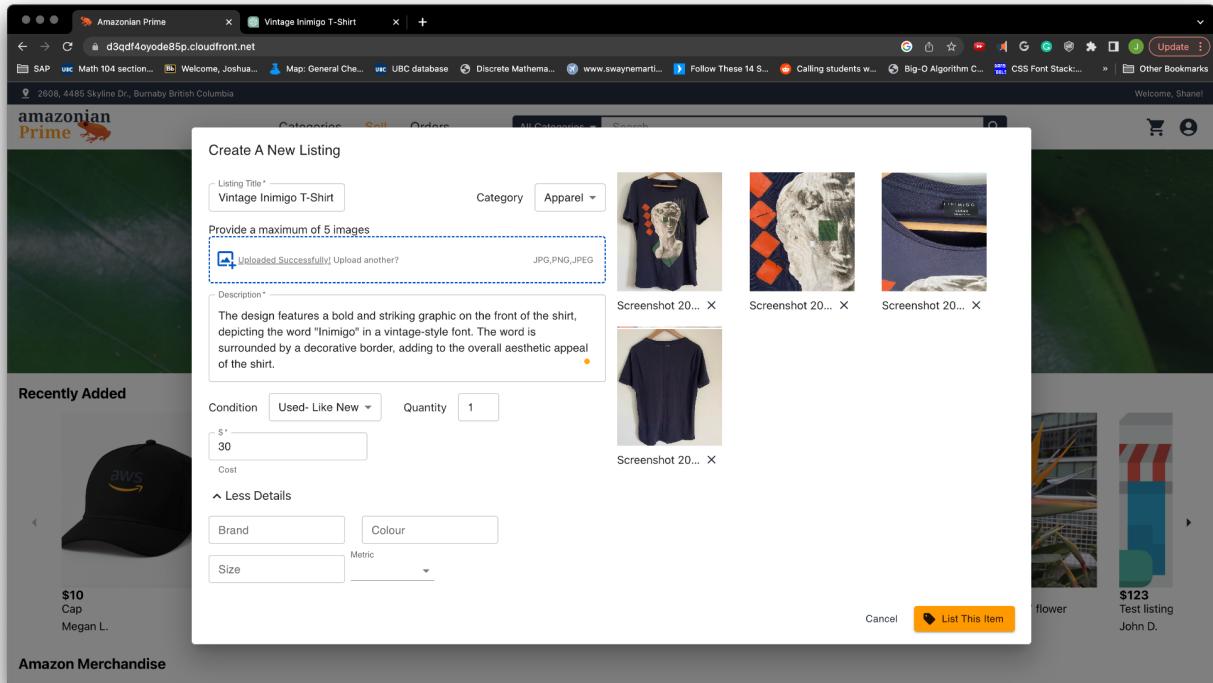

If at any time you try to list the item without filling all required fields, you will be prompted with an Error toast.

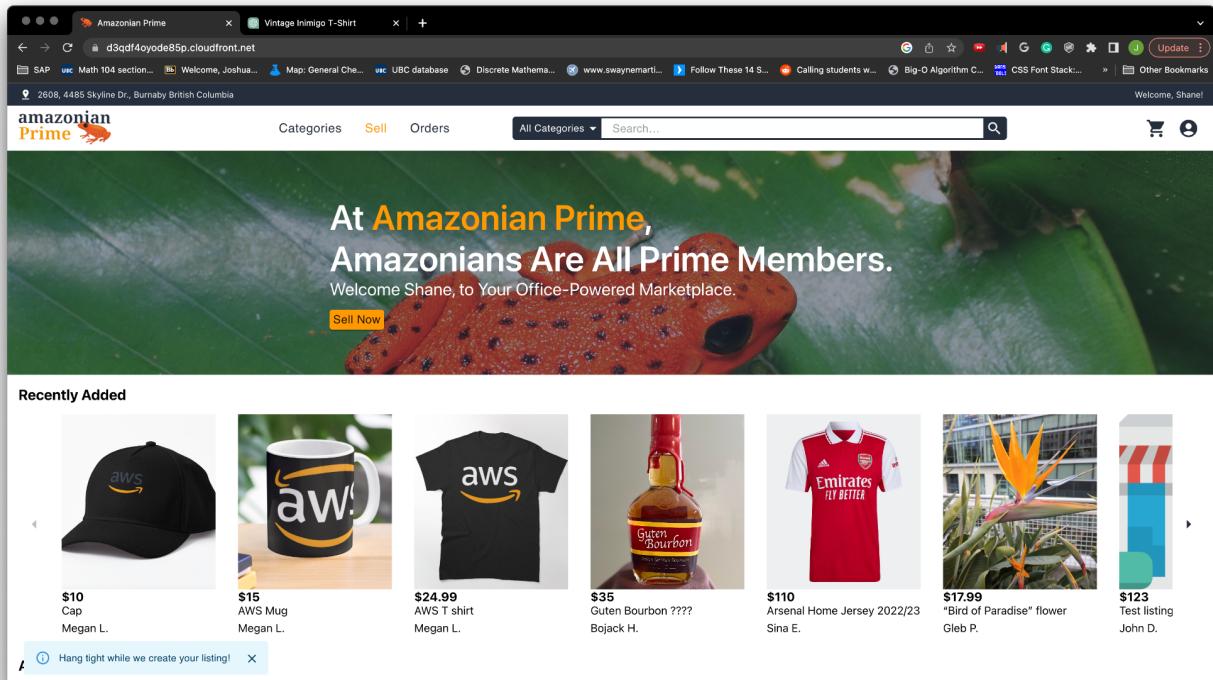

After inputting any necessary data, you may also input more information about the listing such as Brand, Colour, Size by clicking on the "More Details" drop down button. These details are optional and do not need

to be filled out prior to creating a listing.

Once the user finishes creating a listing, they can click on the “List The Item” button to create the listing. Upon clicking the button, the modal will close and a toast signifying that the listing is being created will show.

Once successfully created, a success toast will appear and prompt you to view the new listing.

The screenshot shows a web browser window for 'Amazonian Prime'. The main content area features a large green leaf background with a red ladybug. The text 'At Amazonian Prime, Amazonians Are All Prime Members.' is displayed in yellow and white. Below it, 'Welcome Shane, to Your Office-Powered Marketplace.' is shown. A 'Sell Now' button is visible. Underneath, there's a section titled 'Recently Added' with six items: a throw pillow (\$27), a cap (\$10), an AWS mug (\$15), an AWS t-shirt (\$24.99), a bottle of Guten Bourbon (\$35), and a 'Bird of Paradise' flower (\$17.99). At the bottom, a green toast message says 'We successfully created your listing, Vintage Inimigo T-Shirt! View it [here](#)'.

Upon clicking the “here” text within the toast, you will be redirected to the product details page of your listing.

Deleting A Listed Item

Notice that because you are the seller of the listing, you do not have the options to add it to your cart. Instead you have the option to remove the listing by clicking “Remove Listing” below the Description.

The screenshot shows the product details page for a 'Vintage Inimigo T-Shirt'. The top navigation bar includes 'Categories', 'Sell', 'Orders', 'All Categories', and a search bar. The main image shows a dark blue t-shirt with a classical statue graphic. To the right, the product title 'Vintage Inimigo T-Shirt' is displayed above the seller information 'Shane G. Sales'. The price is \$30.00, and it was listed on April 04, 2023 at 12:53 PM. A note says 'Offers shipping'. Below this, a 'Details' section lists Condition (Used-Like New), Category (Apparel), Brand (N/A), Colour (N/A), Size (N/A), and Quantity (1 item available). The description states: 'A stylish and classic piece of clothing that is perfect for casual wear. Made from high-quality materials, this t-shirt is both comfortable and durable, ensuring that it will last for years to come.' At the bottom, there is a 'Remove Listing' button.

Viewing My Posted Listings

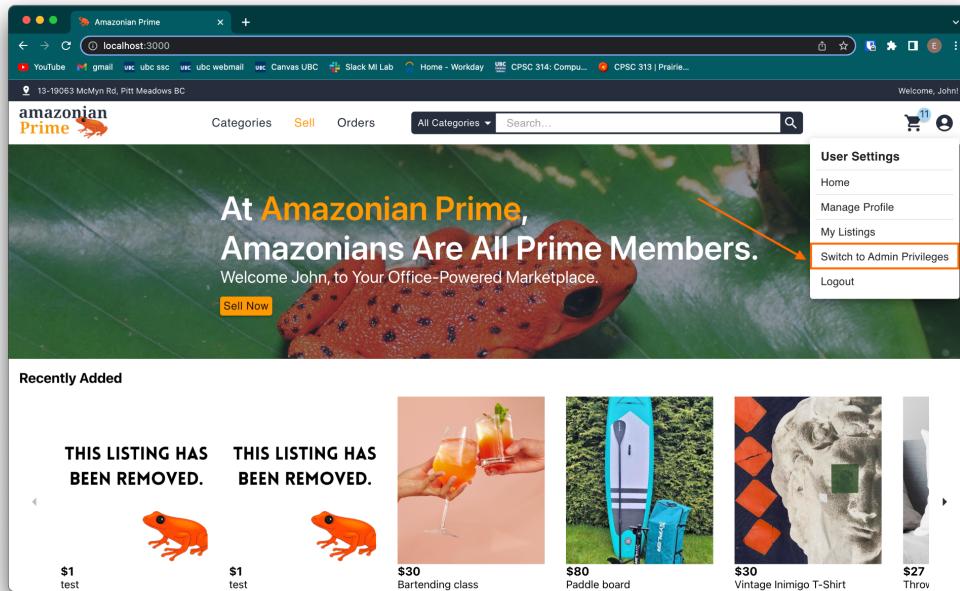

Aside from removing the listing from the listing page itself, you may also navigate to your “My Listings” page by clicking on the User icon in the toolbar, and following by clicking “My Listings”. You will then be redirected to your listings page. Within this page you will be able to view all your listings and remove any such listings from the Marketplace. You may remove a listing by clicking the “Remove Listing” within the My Listing page itself, or by navigating to your product details page and removing it from there.

The screenshot shows a web browser window with a product listing. The URL in the address bar is d3qdf4oyode85p.cloudfront.net/listing/29. The page title is "Amazonian Prime". The main content is a listing for a "Vintage Inimigo T-Shirt" by user "Shane G. Seller". The t-shirt is dark blue with a classical statue graphic. The listing includes a small thumbnail image, the main product image, the title, price (\$30.00), condition (Used - Like New), category (Apparel), brand (N/A), colour (N/A), size (N/A), quantity (1 item available), and a description: "A stylish and classic piece of clothing that is perfect for casual wear. Made from high-quality materials, this t-shirt is both comfortable and durable, ensuring that it will last for years to come." A "Remove Listing" button is visible. On the right, a sidebar titled "User Settings" shows links for Home, Manage Profile, My Listings, and Logout.

The screenshot shows a web browser window with the "My Listings" page. The URL in the address bar is d3qdf4oyode85p.cloudfront.net/my-listings?page=1. The page title is "Amazonian Prime". The main content shows a single listing for a "Vintage Inimigo T-Shirt" by user "Shane G. Seller". The listing includes a large thumbnail image of the t-shirt, the title, price (\$30), and a "Remove Listing" button. At the bottom of the page, there is a navigation bar with arrows and a page number indicator.

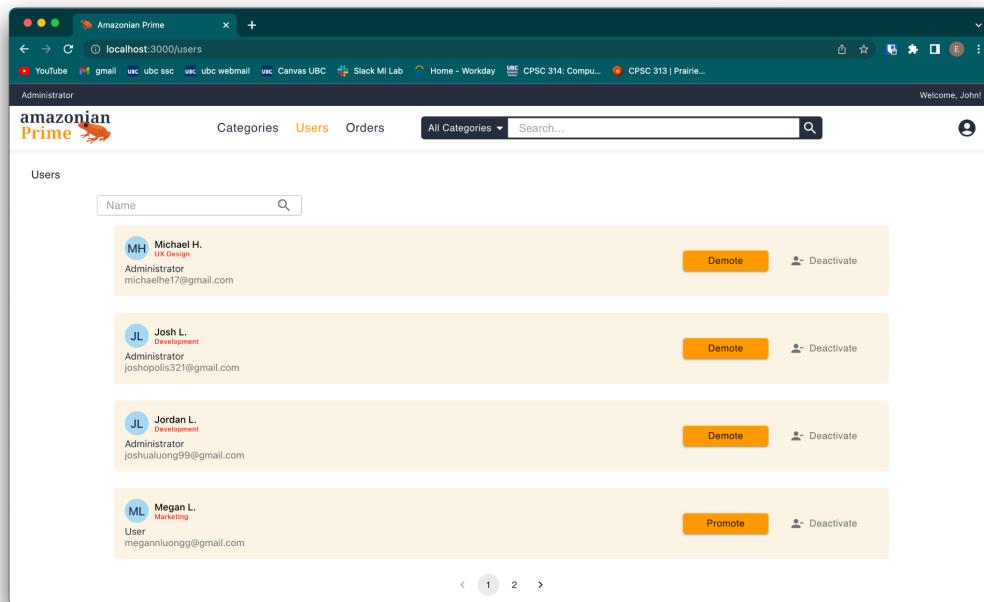

Admin Module

Clicking on “Switch to Admin Privileges” will switch you to the admin module, and you will see a toast at the bottom left stating you are now acting as an admin. See more details about the admin role in the Admin Privileges section of this document.

Adjust User Privileges

As an admin, you will be able to manage all the users registered with the website under the “Users” tab, which replaced the “Sell” tab. The actions you can do include promoting a regular user to administrator, demoting an administrator to a regular user, and deactivating users. If you change a user’s privilege level, you will see a toast at the bottom left indicating whether the action was successful. If so, the user’s privilege level shown on this page will be changed.

Search Users by Name

You can search users by their first or last name.

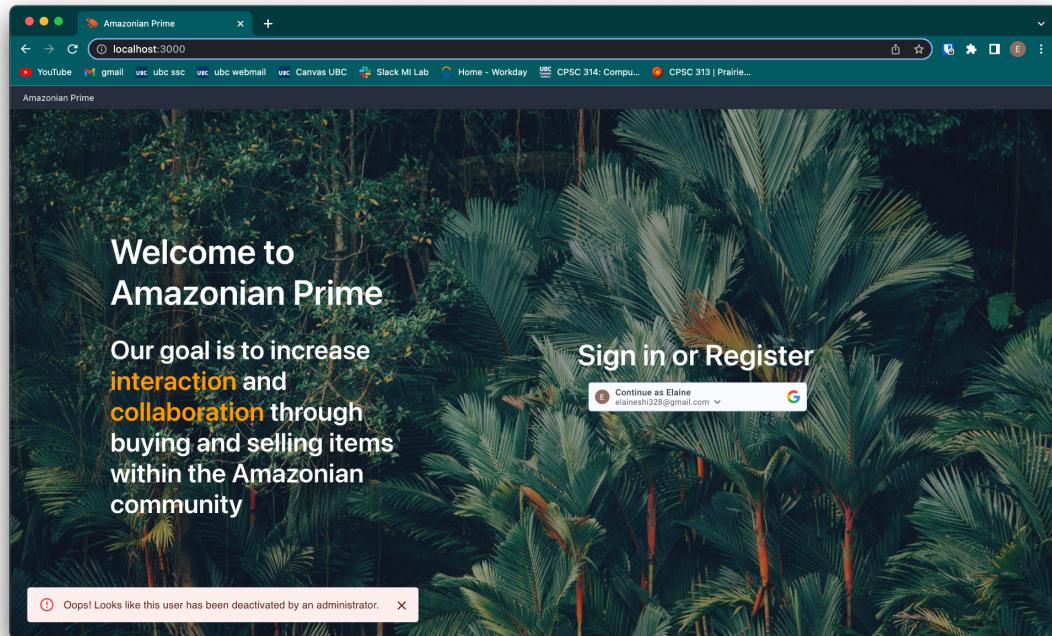

A screenshot of a web browser window titled "Amazonian Prime". The URL in the address bar is "localhost:3000/users?page=1". The page displays a search interface with a search bar containing the text "john". Below the search bar, a list of users is shown, with one user named "JD John D. Development" highlighted. This user has a profile picture, the role "User", and the email "rafael389@gmail.com". To the right of the user's card are two buttons: "Promote" and "Deactivate". At the bottom of the list, there is a pagination element showing page 1 of 1.

Block/ Deactivate Users

When you choose to deactivate a user, a window will pop up to confirm the action, as this will permanently ban this user's associated Google account from being able to register or log in to the website.

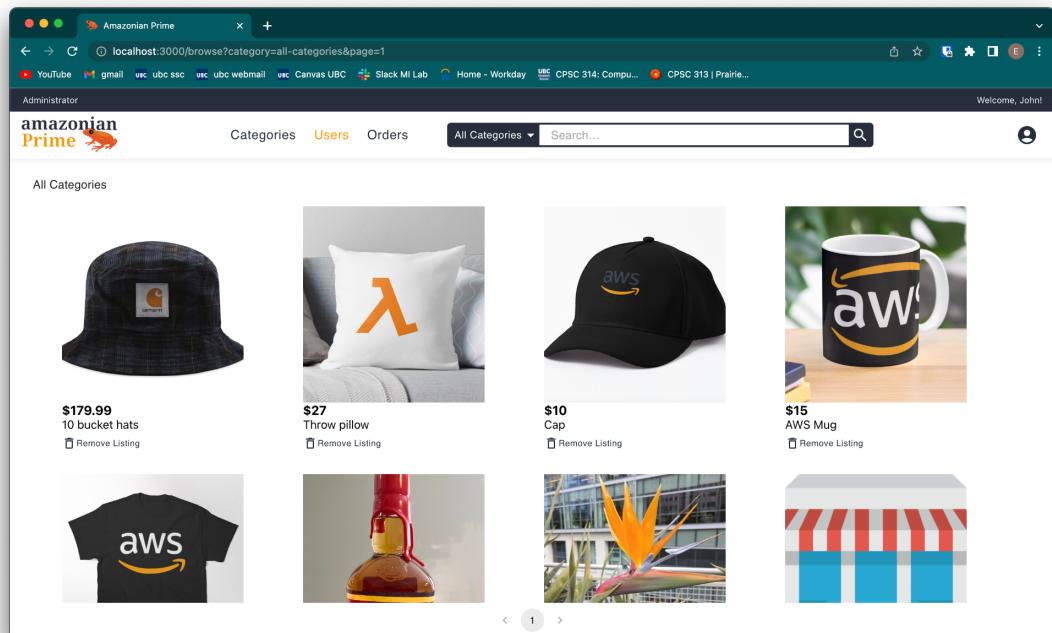

A screenshot of a web browser window titled "Amazonian Prime". The URL in the address bar is "localhost:3000/users?page=3". The page displays a list of five users. In the middle of the list, a modal dialog box titled "Confirm Deactivate" is open. The dialog contains the message "Are you sure you want to deactivate user Ellyn Chan?". At the bottom of the dialog are two buttons: "Cancel" and "Confirm". The "Confirm" button is highlighted with an orange border. The background of the page is dimmed, and the user list is partially visible behind the modal.

If this user tries to log in again, they will receive an error saying that they have been deactivated by an administrator, and cannot proceed.

Deleting Listings as Admin

If you go to the listings section through the Categories tab on top, you will also be able to delete any listings by clicking on the associated Remove Listing button.

Viewing All Orders

Under the Orders tab on top, you will be able to see all the orders from all users. You can navigate the orders by clicking on the page numbers at the bottom.

The screenshot shows a web browser window titled "Amazonian Prime" with the URL "localhost:3000/orders". The page displays three orders:

- Order ID #16 Arsenal Home Jersey 2022/23 (x1 \$110)**
Ordered on April 04, 2023 at 12:22 PM
Shipping to Main st 303 Vancouver, BC
Credit card ending in 88765
- Order ID #15 Test listing (x1 \$123)**
Ordered on April 04, 2023 at 11:40 AM
Shipping to 2608, 4485 Skyline Dr. Burnaby, British Columbia
Credit card ending in 23700
- Order ID #14 "Bird of Paradise" flower (x1 \$17.99)**
Ordered on April 04, 2023 at 12:18 AM
Shipping to 13-19063 McMyn Rd Pitt Meadows, BC
Credit card ending in 31200

The page includes a search bar, a navigation bar with links for Categories, Users, Orders, and All Categories, and a user profile icon. At the bottom, there is a page navigation section with a back arrow, a bolded number 1, a regular number 2, and a forward arrow.

Search Orders by OrderID

You can search orders by their order ID.
